Another delightful meeting of the Y. G. club was held on Saturday afternoon with Miss Zilla Whitmore as hostess. Miss Edna Oehm was a special guest. The meeting was enlivened with several vocal selections rendered by Misses Sandusky and Whitmore. A salad course was served.

The parade Tuesday evening was a dandy and a surprise to most everybody. It shows what can be done when the citizens enter into a proposition with a willingness to make a success. The band boys did splendidly and we hope they will remain together for occasions as they demand. No town should be without a band.

LOST GOLD WATCH—In front of High School, Elgin, Ames job attached. Reward. Phone Ellis, at High School any information.

We have heard some complaint of parties shooting quail before season. The officers should look into this matter and "pinch" a few of those who are too eager to get their share of these birds. It's not fair to let fellows violate this game law and it is usually the man who pays no license who does it. The farmers have a perfect right to turn them in and should take advantage of those rights.

Rev. Sam'l Taylor solemnized the ceremony last Friday about one o'clock which united in marriage Mr. R. S. MacKintie and Miss Hallie Robertson both of Kirk, N. M. This young couple will make their home on the plains south of Kirk where the groom owns a nice tract of land. The News together with their many friends extended the hand of congratulation and wish for them a happy wedded life.

Minister Gives Testimony
The Rev. C. M. Knighton, Havana Fla., writes: For three months I suffered intense pain in kidneys and the back, which at times laid me up entirely. I read of Foley Kidney Pills and after trying various remedies without result I decided to try the Foley treatment. I was relieved almost with the first dose and it is a fact that I used only 1 1/2 bottles when all of the pains disappeared. I am 55 years of age and now feel like a young man again. For sale by Sands-Dorsey Drug Co.

The best show company that has visited Tucumcari in many a day is now playing to record-breaking houses and will remain at the Opera House all week. If the business keeps up as it has started out this company of high-class players will perhaps remain over next week.

At the recent Methodist conference held at Marfa, Texas, we understand Rev. M. O. Williams was the minister chosen to take up the pastorate here in place of Rev. A. N. Evans, who resigned in order to take up the work of pastor of a big church in Denver. He will be here shortly to take charge of the work.

This land is mostly located in the Montoya valley. He also has a number of relinquishments to dispose of.

Uncle Jerry Richardson and wife have moved here from San Jon and will make their residence in Tucumcari where Mr. Richardson will conduct the Farmers and Traders Wagon Yard and buy horses. Word comes from Albuquerque that those who are attending from this city are having the time of their life. Everything is fine but the weather and they pay no attention to that as the fair committee, it is said, has arranged for so much they cannot postpone anything. The agricultural and poultry exhibits are said to be as good as that seen in the eastern fairs in the older states. Not just one article but everything imaginable is being shown.

We have been unable to get a line on the winners of the sporting events held at the ball park the last day of the fair, but there was something doing most of the time and the races were far above the average. Several broncos were brought in for the last day and good exhibitions were the result. Tucumcari and vicinity have a number of splendid riders and if the horses can be secured it is easy to find a rider.

Edward Connelly, last seen in the stage production of George Ade's well known story, "Marse Covington" will be seen at the NEW on Friday night in a motion picture production of that play. "Marse Covington" is a five-act screen drama from the studio of the B. A. Rolfe company and is the latest release of the Metro Pictures Corporation, which is responsible for such productions as "The Right of Way," "The Heart of a Painted Woman," "Cora," "The Shooting of Dan McGrew" and "Always in The Way."

W. A. Bell and son, Rolland, who own about 100 head of Durham-Herford cows and much other fine stock, near Nara Rosa, shipped their entire heifer crop of this year to Earl Kelly at Cuervo, this week. These fine spring calves brought the average price of \$35.00 per head. These gentlemen are proud of their fine cattle and expect to continue in the fine cattle business because it costs no more to raise good cattle than scrub stock and the sale is much easier to make. Both buyer and seller are well satisfied with the bargain.

"Just the Thing"
A tailor's work is sedentary. That is why most tailors suffer from constipation. G. W. Roberson, Wichita Falls, Tex., says: "I find Foley Cathartic Tablets the most delightful and cleansing cathartic I have ever taken. They are just the thing. They keep the stomach sweet and the liver active, drive away headache, dullness, tired feeling, biliousness, bloating and other results of clogged bowels. Very prompt and effective, without gripe or pain. Stout people praise them for the light, free feeling they give. For sale by Sands-Dorsey."
